Dear Parents and Carers,

Children's Mental Health Week: 5th – 11 February

As you know, we are proud of being able to support young people on their educational journey and one of the key things that make our school a place where children feel happy and safe, is our celebration of being individual. We make sure we say good morning to every child as they arrive to school and wish them farewell at the end of the day. We take our time to listen to our pupils and have put in place mechanisms to have extra support and guidance where needed.

To raise awareness of Children's mental health week, we will be holding a non-uniform day, with the theme of 'express yourself' on Thursday 8th February (our last day of this half term). Please ensure that your child wears appropriate clothing for school on the day.

Yours sincerely,
