Dear Parents and Carers,

School lunches

Since the start of term, our new catering team, Southwest Norse, have provided a great tasting menu and the take-up has been very high.

Primary Children

At present, kitchen staff are recording children's choices as they enter the hall and Year 1 pupils' choices are being recorded by Miss Strange in the morning. This information will then be loaded on to your child's Parent Pay account. We would be grateful if these could be paid weekly. Free School Meals will be added to your account.

Secondary Children

Due to the demand at break and lunch, pupils have been keen to experience different tastes in the first two days. When a child orders, it is marked and retrospectively added. Because the children can choose, the daily amounts can change. The standard hot meal price is £2.70, which is the cost for daily Free School Meals. The Kitchen has put together a meal deal option, which includes a dessert and pupils are reminded of this when they select food.

With numbers being as high as they currently are, from **Monday 9th September**, we will be staggering the secondary lunch timings to help us limit waiting time and speed up the process. This will start from tomorrow and rotate each week A and B so that different Year Groups have opportunities at being earlier,

	Each Day
Week A	13:30 - Year 11 13:35 – Year 8 13:40 – Year 9 13:45 – Year 10 13:50 – Year 7
Week B	13:30 – Year 7 13:35 – Year 9 13:40 – Year 10 13:45 – Year 11 13:50 – Year 8

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Phil Arnold', with a long horizontal flourish extending to the right.

Phil Arnold
Headteacher
