Dear Parents and Carers

They say time flies when you're having fun, and this half term is certainly racing by! With just two weeks to go, we've packed in a huge amount already and are incredibly proud of how focused and engaged our young people have been.

Highlights from this week:

We welcomed visitors from UTC, Millbay, and the Trust Central Team. Our IT team held a preliminary meeting ahead of a major upgrade to our school systems. Many families visited us on Thursday and Friday as they begin considering secondary places for September 2026.

A warm welcome to our new starters who joined us this week and last, they've made a fantastic start and for our helpers and guides for making them feel so welcome. We held our first Governors' meeting of the year on Tuesday and were pleased to welcome our new committee.

On Thursday, our Year 11 boys' football team kicked off their tournament with a brilliant 3–2 win against Cranbrook. Well done, team!

Looking ahead to next week:

Year 10 and 11 geographers will be out on Monday completing their fieldwork, deepening their understanding of the environment around them. On Thursday, we're excited to welcome our new Year 7 families for a "Meet the Tutor" event. Also on Thursday, it's Maths Rockstars Day for primary pupils, we can't wait to see which maths idols will be represented!

Updates and feedback:

- We're refining our Key Stage 4 homework support to ensure students and teachers feel confident with expectations and resources.
- We're continuing to explore improvements to the bus service and may be making progress, please do let us know if you hear of any opportunities.

Please keep letting us know your thoughts and feedback.
