1. Aims

At Thomas Hall School we aim to provide all pupils from year 8 to 11 with meaningful opportunities to explore a wide range of future options.

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to pupils for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a provider who is given access

As a school we aim to:

- Develop knowledge and awareness among our pupils of all career pathways available to them, including technical qualifications and apprenticeships
- Support pupils in learning more about opportunities for education and training outside of school, before they make crucial choices about their future options
- Reduce drop-out from courses and avoid the risk of pupils becoming NEET (not in education, employment or training)

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must provide a minimum of 6 encounters with technical education or training providers to all pupils in years 8 to 13 (see more detail in section 2.1 below).

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these pupils.

This is outlined in:

- Section 42B of the [Education Act 1997](#)
 - [Education and Skills Act 2008](#)
-

- [The School Information \(England\) Regulations 2008](#)
- The [Skills and Post-16 Education Act 2022](#)
- Guidance from the Department for Education (DfE) on [careers guidance and access for education and training providers](#)

This policy shows how our school complies with these requirements.

3. Pupil entitlement

All pupils in years 8 to 11 at Thomas Hall School are entitled to:

- Find out about further education training, technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships,
- Understand how to make applications for the full range of academic and technical courses Have a minimum of 6 encounters with providers

These encounters must happen for a reasonable period of time during the standard school day.

As a school we can provide complementary experiences but encounters outside of school hours won't count towards these requirements.

Access to providers is available and promoted to allow all pupils to access information about other providers of further education and apprenticeships. We are committed to encouraging all pupils to make decisions about their future based on impartial information.

- Involves a 2-way interaction between the pupil and the provider
- Includes information about the provider, such as their recruitment and selection processes, the qualifications that provider offers and the careers these could lead to
