

Thomas Hall School Uniform Policy

Uniform expectations for Primary and Secondary pupils | 2026-27

BELONG • INSPIRE • GROW | READY • RESPECTFUL • SAFE

Purpose and principles

Thomas Hall School expects pupils to wear approved uniform consistently. The policy supports belonging, readiness, safety and a shared school identity, while retaining affordable choices for families.

Approved supplier range

All Thomas Hall School uniform items shown on the school's approved Thomas Moore supplier page may continue to be worn. This includes the different approved jumper, top and PE-kit variations displayed there. Pupils will not be required to replace an approved item simply because the school is simplifying future uniform choices.

The supplier page may be updated from time to time. Where there is any uncertainty, families should contact the school before purchasing.

General expectations

- Uniform must be clean, safe, appropriately sized and worn as intended.
- Large slogans, prominent fashion branding and unauthorised logos are not permitted.
- The school will consider equality, SEND, sensory, medical and religious needs and make reasonable adjustments where required.
- Financial difficulty should be raised with the school so practical support, including the Swap Shop, can be considered.

Primary uniform

Primary pupils may wear the approved items listed below and the approved alternatives displayed on the Thomas Moore supplier page.

- Black or green sweatshirt with the Thomas Hall School logo.
- Green cardigan with the Thomas Hall School logo - optional.
- Black or white polo shirt; a branded polo is optional where shown as such by the approved supplier.
- Grey or black skirt or smart shorts, of an appropriate length.
- Grey or black smart trousers without prominent decorative zips, studs or buckles.
- Thomas Hall School jacket - optional.
- Plain black leather or leather-style school shoes. Trainers are reserved for PE unless an agreed adjustment applies.
- A green gingham dress may be worn in summer.

Primary PE kit

- The approved Thomas Hall School PE top for the pupil's phase or house.
- Plain black shorts, plain black skirt, plain black leggings or plain black joggers/tracksuit bottoms.
- Suitable PE trainers or plimsolls.
- An approved Thomas Hall School jumper may be worn as an outer layer.

On the designated PE day, Primary pupils may arrive in PE kit and remain in it for the school day. The kit must meet the expectations above.

Primary PE safety

- Long hair must be tied back.
- Long or hooped earrings must be removed. Stud earrings may also need to be removed depending on the activity. Where removal is not possible, families should provide sterile tape if directed by the school.
- Grip socks are advised for activities in the gymnasium where pupils are not working in suitable footwear.

Secondary school uniform

Secondary pupils may wear any approved Thomas Hall School uniform item currently displayed on the Thomas Moore supplier page. The former requirement to select one of two separate uniform options and avoid mixing them no longer applies.

Approved tops

- An approved Thomas Hall School polo shirt or T-shirt, or a white school shirt with the approved Thomas Hall tie.
- An approved Thomas Hall School jumper or zip top. The range currently offered by the approved supplier remains acceptable.

Bottoms and footwear

- Dark grey or black smart trousers, smart shorts or skirt.
- Leggings and joggers are PE-day items and are not part of standard classroom uniform unless an agreed adjustment applies.
- Plain black leather or leather-style school shoes with plain black laces. Trainers and sports footwear are for PE days unless an agreed adjustment applies.

Bags and equipment

- A suitable waterproof bag or rucksack capable of carrying the pupil's equipment.
- Two black or blue pens, a green pen, pencil, ruler, rubber, protractor, scientific calculator, highlighters, glue stick and current knowledge organiser, as required for the pupil's timetable.

Approved supplier items remain permitted for the pupil's school journey, or until the pupil grows out of them.

Secondary PE-day uniform

On practical PE days, Secondary pupils are expected to arrive wearing the following PE kit and may remain in it for the school day.

Compulsory logo item

- Thomas Hall School PE polo top displaying the school logo. This is the compulsory branded item for PE days.

Approved PE bottoms

- Thomas Hall School logo shorts, skort, leggings or joggers; or
- plain black shorts, plain black skort, plain black leggings or plain black joggers.

Plain black alternatives may carry a small, discreet manufacturer's mark, but must not display large slogans, designs or prominent logos.

Outer layer and footwear

- The PE kit should be worn with an approved Thomas Hall School jumper or zip top.
- Pupils must wear PE-suitable footwear that provides appropriate support for the planned activity.

Sports Studies

Year 10 and Year 11 pupils enrolled in Sports Studies may wear the designated VX3 Sports Studies kit as an approved alternative where this has been authorised by the school.

PE health and safety

- Long hair must be tied back.
- Long and hooped earrings must be removed. Stud earrings may need to be removed depending on the activity and teacher risk assessment. Where removal is not possible, pupils should bring their own sterile tape if directed.
- Other jewellery must be removed for practical activity unless the teacher confirms it is safe for the activity.
- Grip socks may be required or advised for specific indoor activities.

Presentation and additional guidance

Jewellery and body art

- One pair of small stud earrings, silver or gold in colour, may be worn. Other piercings must be removed unless an agreed adjustment applies.
- Religious jewellery should be worn safely and, where appropriate, inside clothing.
- Visible body art is not permitted during the school day.

Hair, make-up and nails

- Hair should be a broadly natural colour. Hairstyles or shaved patterns that are judged extreme or disruptive are not permitted.
- Make-up, nail varnish and false nails are not permitted unless an agreed adjustment applies.

Hoodies and outdoor clothing

- Hoodies are not part of the school uniform and must not be worn on the school site.
- Pupils should bring weather-appropriate outdoor clothing, such as a raincoat, when needed.
- The Thomas Hall rain jacket is optional and may be used for outdoor pursuits.

Checking and correction

Uniform is checked each morning. Where an item is incorrect, staff will seek a prompt and proportionate correction. The Swap Shop in Student Reception may be used to provide a temporary replacement. Deliberate refusal may lead to a consequence under the Behaviour Policy; lack of access to uniform should trigger support rather than punishment.

Reasonable adjustments and individual circumstances

The school will consider requests connected to disability, SEND, sensory need, medical need, religion, gender reassignment or another protected characteristic. Decisions will balance inclusion, safety, dignity and the purpose of the uniform expectation.

Uniform expectations should be applied consistently, calmly and without unnecessary loss of learning.
